

EXPERIENCE

Product Designer | Mitsogo

Chennai, IN | Apr 2022 - Current

In my nearly 3-year journey with the company, I've significantly enhanced the overall product ecosystem. I've built robust design systems, led the facelift and revamp of our current applications, and collaborated closely with the PM team to introduce competitive new features. Additionally, I've solved complex user challenges, ensuring our product remains innovative and user-friendly.

CERTIFICATIONS

College Fresher's Programme | Mitsogo

Chennai, IN | Oct 2021 - Apr 2022

I've completed the College Fresher Program at UX Mint Academy, where I earned certification as a UI/UX professional, gaining a strong foundation in design principles and user experience methodologies.
